Let XING handle your  
active sourcing for you

# Our experts find the right talents for you

Good companies need the right staff to become great companies. But finding the right people can be tricky, with recruiters spending 25% of their working hours trying to find good matches for their vacancies.<sup>1</sup> However, many companies lack the resources and know-how for successful active sourcing. That's where XING comes in as SMEs can take advantage of digitalisa-

tion by having XING's experts handle their active sourcing activities, including contacting and pre-qualifying matching candidates from among more than 19 million members on the leading online business network in German-speaking countries. You invest your time only in highly suitable talents, reduce your time to hire and reach your recruiting goal even faster.

## Your key benefits

### Efficient

You only engage with highly suitable candidates that our experts find for you using targeted data analyses and personal pre-screening. This saves resources and leads to a major reduction in your time to hire.

### Transparent

Based on our market data, we discuss your chances of filling your vacancy beforehand and give you a **delivery guarantee**<sup>6</sup>. You can also visit your personal dashboard at any time to browse the data analysed by our experts.

### Relevant

By talking to candidates directly, our experts pass on honest feedback about how your employer brand is perceived, as well as valuable tips on how you can optimise your recruiting strategy. By publishing your vacancy in the XING job market, the visibility of your employer brand increases additionally.

### Cost-effective

You receive a shortlist of an average of 4-5 candidates at an attractive fixed price. Regardless of how many you actually hire, it won't cost you a single euro more. This makes the XING TalentService even more worthwhile compared to conventional recruiting methods.

# Choose precisely the right solution for you.

Looking to engage with a **screened selection of suitable candidates** interested in joining your company?

## XING TalentService

In no more than 4 weeks you'll receive a **shortlist** with an average of 4-5 candidates perfectly suited to your requirements and willing to change jobs.

**Experienced active sourcing experts** search for talent using an **innovative algorithm**. They then talk to potential candidates, explaining the reasons why they should consider the exciting vacancy available at your company. This also offers an opportunity to find out whether someone is willing to change jobs, whether they're a good match for the role, and what their salary requirements are.

**60-minute briefing** based on the digital briefing form.

**We guarantee** at least one talent on your shortlist; otherwise your next project is free.

**Including a job ad** in XING Jobs, which we'll post and manage for you.

**We'll reject any candidates** you don't want to include in your hiring process.

**€ 4,990**  
per vacancy

Or would you like to **actively approach** screened candidates **yourself**?

## XING TalentService Longlist

In 7 days we'll deliver a **longlist** of 30 candidates found by an innovative algorithm and screened by our experienced team of experts to suit your requirements.

**30-minute briefing** based on the digital briefing form.

**30 XING messages** for directly approaching candidates on your longlist.

**Communication kit** to help you professionally and successfully engage with candidates.
